The route to your roots

Founder Editor: Anant Pai

When they look back at their formative years, many Indians nostalgically recall the vital part Amar Chitra Katha comics have played in their lives. It was **Amar Chitra Katha** that first gave them a glimpse of their glorious heritage.

Since they were introduced in 1967, there are now over **500 Amar Chitra Katha** titles to choose from.

Over 100 million copies have been sold worldwide.

Now, Amar Chitra Katha titles are even more widely available in **1000+ bookstores all across India**.

If you do not have access to a bookstore near you, you can also buy all the titles through our online store, **www.amarchitrakatha.com**. We provide quick delivery anywhere in the world. To make it easy for you to locate the titles of your choice from our treasure trove of titles, the books are now arranged in six categories.

Epics and Mythology

Best known stories from the Epics and the Puranas

Indian Classics

Enchanting tales from Indian literature

Fables and Humour

Evergreen folktales, legends and tales of wisdom and humour

Bravehearts

Stirring tales of brave men and women of India

Visionaries

Inspiring tales of thinkers, social reformers and nation builders

Contemporary Classics

The best of modern Indian literature

cover: Arijit Dutta Chowdhury

Research and Script: Malini Saigal

Illustrations: Arijit Dutta Chowdhury

colour: Sanjhiya Mayekar, Periasamy Samikannu, Ritoparna Hazra, Tithee Dixit, Prakash Sivan

A DAY AT THE MUSEUM

MONIKA, DEEPAK, HANIA, GURTEJ AND LEN WERE CLASSMATES IN STANDARD VI AT SARVODAYA VIDYALAYA IN NEW DELHI. ONE DAY —

BACK IN CLASS —

OBJECTS THAT ARE MORE THAN 100 YEARS OLD ARE CALLED ANTIQUES AND ARE VERY VALUABLE. THE NATIONAL MUSEUM IS LIKE A TIME MACHINE FULL OF ANTIQUES — SCULPTURE, POTTERY, TEXTILES, PAINTINGS, COINS AND OLD BOOKS — ACROSS 5,000 YEARS OF OUR HISTORY.

THE CHILDREN WERE FULL OF QUESTIONS.

WHY DO WE NEED TO KNOW ABOUT OLD STUFF?

HOW DOES THE MUSEUM FIND ANTIQUES?

WHAT CAN THEY TELL US? OBJECTS CAN'T SPEAK!

STUDYING THE PAST GIVES US A TRUE PICTURE OF WHAT HAPPENED. THE CONTENTS OF A MUSEUM ARE SOURCED IN SEVERAL WAYS. ITEMS FROM ANCIENT HISTORY ARE DUG UP FROM THE EARTH, WHERE THEY HAVE BEEN BURIED FOR CENTURIES. THIS IS CALLED ARCHAEOLOGY.

HUMANS LOVE TO COLLECT BEAUTIFUL THINGS — PAINTINGS, CLOTHES, JEWELLERY, BOOKS, FURNITURE AND SO ON. A LOT OF PEOPLE DONATE THEIR ANCESTORS' COLLECTIONS. SOMETIMES MUSEUMS BUY OBJECTS AS WELL, SO THAT THEY CAN BE PRESERVED.

MY GRANDMOTHER HAS A TRUNK FULL OF OLD SAREES!

AND MY FATHER HAS A BIG STAMP COLLECTION.

ALL OBJECTS HAVE A STORY TO TELL; WE JUST HAVE TO READ THE CLUES. YOU WILL LEARN ABOUT THIS WHEN YOU VISIT THE MUSEUM TOMORROW.

I GOT MY WISH! THIS SOUNDS LIKE AN EXCITING TRIP.

YES, HISTORY IS MY FAVOURITE SUBJECT!

NEXT MORNING, A BUS FULL OF EAGER CHILDREN REACHED THE MUSEUM. THEY FIRST WENT THROUGH THE TICKET BARRIER AND THE SECURITY CHECK.

THEY HAD SOMEONE WAITING FOR THEM IN THE MUSEUM LOBBY.

On 15 August, 1949, the National Museum, New Delhi, was inaugurated in the Rashtrapati Bhavan by Shri R.C. Rajagopalachari, the Governor-General of India. The foundation of the present building was laid by Pandit Jawaharlal Nehru, the Prime Minister of India, on 12 May, 1955.

At present, it has 2,07,000 items in 23 galleries. Recently, 262 valuable artefacts have been repatriated from abroad. There are many special exhibitions and outreach activities for children. Scan the QR code to explore the National Museum website.

IN THE ENTRANCE LOBBY —

THIS BOARD SHOWS THE MUSEUM'S DIFFERENT GALLERIES. YOU CAN TAP ON IT FOR INFORMATION. WE WILL BEGIN WITH THE HARAPPAN CIVILISATION, WHICH YOU HAVE READ ABOUT IN SCHOOL.

HERE IS HARAPPA!

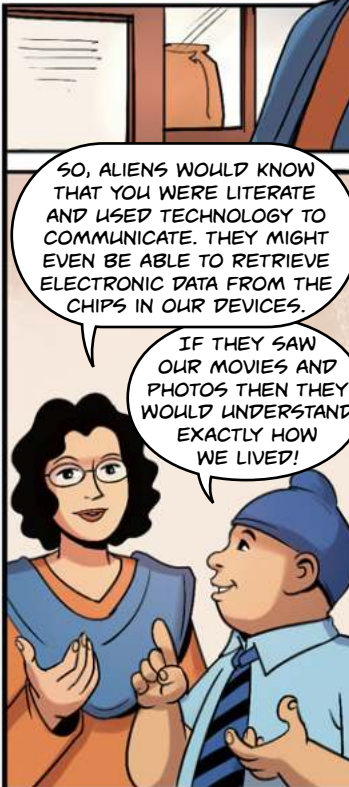

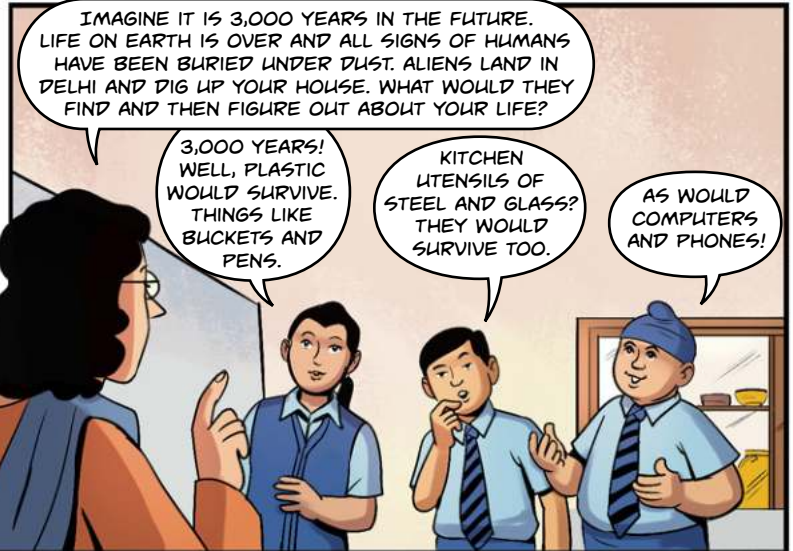

Around 5,000 years ago, the Harappans lived in well-planned cities, with proper roads, drains, granaries, workshops and water tanks. There are over 100 sites across the Indus Valley region (in India and Pakistan). It was a sophisticated Bronze Age civilisation that existed at the same time as the ancient Egyptian and Mesopotamian civilisations, with whom the Harappans probably traded goods.

THE CHILDREN ENTERED THE HARAPPAN GALLERY.

AROUND YOU ARE EVERYDAY ITEMS THAT WERE FOUND AT MANY SITES. WE STUDY THEM FOR CLUES, LIKE DETECTIVES, TO FIND OUT WHAT HARAPPAN CITY-FOLK ATE, WORE, WHAT THEIR OCCUPATIONS WERE AND WHAT THEY DID IN THEIR LEISURE TIME.

SUDDENLY, IT WAS AS IF A CITY HAD COME BUSTLING TO LIFE.

*MOULDS USED TO MAKE STAMPS.

¹A SOFT STONE

*A SYSTEM OF PICTORIAL WRITING USED ON ANCIENT EGYPTIAN MONUMENTS

[^]THE SCIENCE OF STUDYING LANGUAGES, BOTH CURRENT AND OLD

Charles Masson, a British adventurer, came across the ruins of Harappa, in 1829, while searching for old coins. Sir Alexander Cunningham, a British engineer with a passion for history, founded the Archaeological Survey of India (ASI) and conducted excavations in the 1870s. But it was Sir John Marshall, appointed Director-General of the ASI in 1902, who identified Harappa as the site of a hitherto unknown culture, and also began digging at Mohenjo-daro. By the 1930s, the Indus Valley or Harappan culture had revealed thousands of artefacts, many burial sites and skeletons, and the remains of well-planned brick settlements.

In the Indus Valley Civilisation, there were five major urban centres: Harappa, Mohenjo-daro, Dholavira, Ganweriwala and Rakhigarhi. As of 2008, there are 616 sites in India and 406 in Pakistan.

ANOTHER MYSTERY NEVER FULLY SOLVED IS WHY THE HARAPPAN CIVILISATION ENDED. BOTH THE ELEPHANT AND THE RHINOCEROS NEED A WET REGION WITH FORESTS AND MARSHLAND. BUT THE PLACE THIS SEAL WAS FOUND IS LIKE A DESERT TODAY. SO WAS IT A WETLAND 4,000 YEARS AGO? DID THE LAND BECOME SLOWLY DRY AND BARREN SO EVERYONE HAD TO MOVE AWAY?

YOU MEAN THE CLIMATE CHANGED AND A GREEN, FORESTED LAND BECAME LIKE A BROWN DRY DESERT?

PERHAPS. AND AS RIVERS AND WELLS DRIED UP AGRICULTURE STOPPED AND THE PEOPLE DRIFTED AWAY.

SO CLIMATE CHANGE IS REAL, AND CAN AFFECT WHOLE CITIES AND VILLAGES.

ABSOLUTELY. THAT IS A LESSON FROM HISTORY WE CANNOT IGNORE.

NEXT, THEY ENTERED THE SCULPTURE GALLERY.

LET'S MOVE FORWARD BY 1,000 YEARS. BY NOW, THERE WERE MANY KINGDOMS AND RELIGIOUS PRACTICES. PEOPLE LIVED MOSTLY IN MUD, THATCH AND TIMBER HOMES. GODS WERE PLACED IN STONE SHRINES.

ALL THESE FIGURES LOOK SO REAL!

THE CHILDREN GAZED IN WONDER AT THE TALL STONE STATUES IN SO MANY SHAPES AND SIZES.

HOW CAN ONE TELL THEM APART? IT'S CONFUSING!

WE HAVE TO LOOK FOR CLUES, BUT THIS TIME, WE HAVE THE WRITTEN WORD TO HELP US. THE JATAKAS, PURANAS, THE RAMAYANA AND THE MAHABHARATA, ALL DESCRIBE THE GODS AND THEIR STORIES.

IRA MA'AM EXPLAINED THAT IT IS NECESSARY FOR A CURATOR TO KNOW WHAT IMAGES AND SYMBOLS COULD BE USED TO IDENTIFY A SCULPTURE.

THE PURANAS TELL US THAT VISHNU WEARS A CROWN AND A GARLAND OF FLOWERS, HOLDS A CONCH SHELL, A MACE, AND IS STANDING OR SEATED ON A LOTUS. HIS MOUNT, GARUDA, WILL ALSO BE WITH HIM.

HERE IS A STATUE OF VISHNU! I CAN SEE THE CONCH SHELL AND THE MACE.

AND THE GARLAND OF FLOWERS AND THE LOTUS HE IS STANDING UPON.

THE CHILDREN WERE FASCINATED BY THIS INFORMATION. THEY LOOKED CAREFULLY AT THE OTHER STATUES.

MY NANI SAYS LONG EARS MEAN BIG BRAINS! THIS STATUE OF THE BUDDHA HAS VERY LONG EARS.

HA! HA! YES, THAT WAS A COMMON BELIEF, SO ONE OF THE WAYS WE IDENTIFY STATUES OF WISE MEN LIKE YOGIS AND ASCETICS IS TO CHECK THE EARS!

DEEPAK, LET ME CHECK YOUR EARS.

GODS AND THEIR VAHANAS

Most gods and goddesses in the Hindu pantheon have specific animals as their mounts. Can you match the vahanas with the deities?

A.

Vishnu

Lion

1.

B.

Indra

Nandi

2.

C.

Durga

Garuda

3.

D.

Shiva

Airavat

4.

IT WAS TIME FOR A BREAK. THE CHILDREN SAT IN THE ROTUNDA* SIPPING LIME JUICE AND MUNCHING PEANUTS.

LOOK, HERE IS A COLOURING STATION. I AM GOING TO MAKE A QUICK SKETCH.

ME TOO!

IN A FEW MINUTES, THEY HAD DONE QUICK SKETCHES OF THE MUSEUM.

LEN AND HANIA DECIDED TO EXPLORE A LITTLE AND WENT UP THE STAIRS.

WE WILL FOLLOW THE SIGNS BACK TO THE MAIN ENTRANCE!

THEY MADE A QUICK STOP AT THE MUSEUM GIFT SHOP.

I GOT A POSTCARD.

I'VE BOUGHT THIS BIRD-SHAPED WHISTLE.

THEN, THEY WENT INTO THE GALLERY OF ANTHROPOLOGY.

THIS LOOKS INTERESTING...

AHHHHH!

HA! HA! THESE ARE TRIBAL MASKS FOR FESTIVALS. WE ALSO HAVE THEM IN NAGALAND.

*ROTUND GALLERY

EVENTUALLY, THEY FOUND THEIR CLASSMATES OUTDOORS GETTING READY TO DO SOME EXCAVATING.

THE CHILDREN GOT TO WORK.

MAKE A RECORD OF YOUR FIND. DRAW A SKETCH, AND GIVE A DESCRIPTION WITH MATERIAL, SIZE, PATTERN, AND DATE — IF IT IS GIVEN THERE.

Pit find
Monika

Object: 20p coin
Material: Mixed metal?
Shape: Hexagon
colour: Light grey
Size: 1.74cm diameter
Date: 1983

Pit find
Deepak

Object: Padlock
Material: Brass? With
steel lock clasp
Shape: Square
Size: 2.5cm x 3cm x
1.5cm
Manufacturer: Tigers
Date: Not known

Pit find
Gurtej

Object: USB stick drive
Material: Plastic, computer
chip
Shape: Rectangular, narrow
at one end where it fits
into device
Colour: One side black,
other red
Size: 4cm x 1.5cm x .6cm
Date: Unknown, but 21st
century
Maker's name: 'Sundisk'

THEN IT WAS TIME FOR SOMETHING SPECIAL — THE VEMA* GALLERY, WHICH TAKES THE MUSEUM VISITOR ON A JOURNEY THROUGH THE AJANTA CAVES IN AURANGABAD.

*VIRTUAL EXPERIENTIAL MUSEUM
ON AJANTA CAVES

ON ANOTHER SIDE THERE WAS A LARGE WALL SCREEN.

ON ANOTHER SCREEN, HANIA AND LEN WERE HAVING FUN MAKING THE PAINTED FIGURES COME ALIVE.

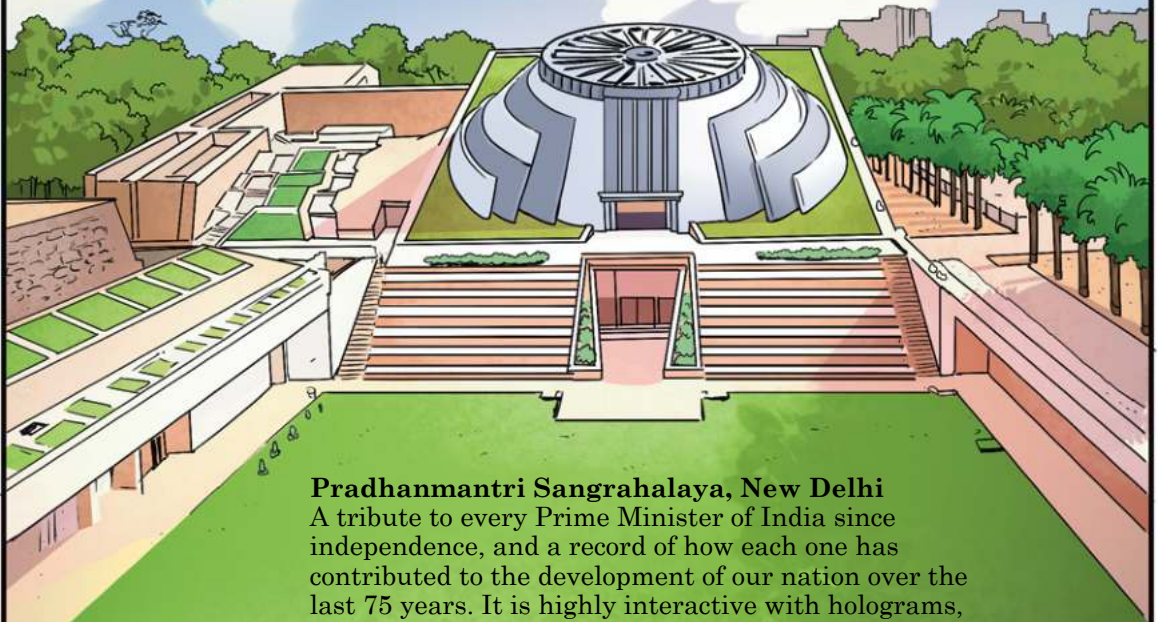

GURTEJ USED THE OCLLUS* TO DO A VIRTUAL WALK THROUGH THE CAVES.

*A VIRTUAL REALITY HEADSET

SOME THEMED MUSEUMS OF INDIA

Pradhanmantri Sangrahalaya, New Delhi

A tribute to every Prime Minister of India since independence, and a record of how each one has contributed to the development of our nation over the last 75 years. It is highly interactive with holograms, virtual reality, augmented reality, multi-touch, multi-media, interactive kiosks, computerized kinetic sculptures, smartphone applications, interactive screens and experiential installations.

National Crafts Museum, New Delhi

The National Handicrafts and Handlooms Museum, popularly known as the National Crafts Museum & Hastkala Academy was designed by architect Charles Correa. The collection has over 33,000 specimens of various crafts from various states of India.

National Philatelic Museum, New Delhi

Located on the ground floor of Dak Bhawan, this museum shows us a panorama of India through postage stamps. Commemorative postage stamps issued since India's independence are displayed under specific themes like Mahatma Gandhi, Science and Technology, Flora and Fauna, Art and Culture, Children's Day, etc.

Indira Gandhi Rashtriya Manav Sangrahalaya, Bhopal

Spread over 200 acres, the museum houses ten open-air exhibitions and an indoor museum building. Twelve galleries on various topics – Ethnic Art, Belief Systems, Ethnic Music, and Habitat – depict the story of mankind.

Museo Camera, Gurugram

The largest not-for-profit crowd-funded Centre for Photographic Arts in South East Asia has 18,000 sq. ft. of space dedicated to the art of photography.

IT HAD BEEN AN EXCITING MORNING. ON THE WAY BACK —

AT HOME, MONIKA RAN TO HER MOTHER.

DEEPAK'S FATHER WAS A POSTAL WORKER.

DEEPAK SELECTED SOME OF THE MORE COLOURFUL STAMPS WITH BIRDS ON THEM. HE WROTE NEAT DESCRIPTIONS FOR EACH AFTER DOING RESEARCH ON THE INTERNET.

HANIA'S FATHER WAS A TAILOR. SHE WENT TO HIS WORKSHOP.

ABBA, CAN I HAVE SMALL BITS OF DIFFERENT FABRICS? I AM MAKING A TEXTILE COLLECTION FOR A SCHOOL PROJECT.

OF COURSE, HANIA. HELP YOURSELF FROM THE RAG BAG.

HANIA SELECTED A DOZEN PIECES AND HER FATHER EXPLAINED EACH ONE CAREFULLY.

THIS RED PIECE IS SILK FROM BANARAS*. IT HAS A GOLD ZARI* PATTERN. THIS ONE IS PLAIN COTTON, CALLED KHADI.

THIS IS WHAT MAHATMA GANDHI WANTED US ALL TO WEAR AS A SYMBOL OF SWADESHI**.

GLIRTEJ'S FAMILY WENT TO THEIR VILLAGE OVER THE WEEKEND. THERE, HE TOLD HIS GRANDPARENTS ABOUT HIS IDEA FOR A STORY COLLECTION.

WILL YOU TELL ME STORIES OF YOUR CHILDHOOD? I WILL RECORD THEM AND MAKE A COLLECTION TO PLAY FOR MY CLASS.

OF COURSE! AND HERE ARE SOME OLD PHOTOS OF MY YOUNG DAYS. YOU CAN USE THESE TOO.

DADIJI, IS THAT YOUR GRANDFATHER?

I USED TO SPEND MY TIME LISTENING TO THE RADIO AND PLAYING IN THE FIELDS.

WE DIDN'T HAVE ELECTRICITY, PHONES OR TV. THERE WAS ONLY THE RADIO, WHICH WE LOVED. WE SLEPT ON THE ROOF, SANG SONGS AND LISTENED TO STORIES.

GLIRTEJ WAS FASCINATED BY HIS GRANDPARENTS' LIFE. HE SPENT TWO DAYS RECORDING THEIR TALES.

*NOW VARANASI
*DECORATIVE GOLD THREAD USED ON CLOTHING

**MEANING 'OF OUR OWN COUNTRY', IT WAS A MOVEMENT FOR INDIA'S INDEPENDENCE

LEN WAS UNABLE TO DECIDE ON ANY IDEA FOR HIS COLLECTION.

THEY GOT TO WORK IN THE KITCHEN WITH A DUSTER AND BROOM. LOOKING AT THE CANE BASKETS AND BOXES IN SO MANY SHAPES, LEN HAD A SUDDEN BRAINWAVE.

LEN WAS DELIGHTED TO HAVE FOUND SUCH A PERFECT SOLUTION.

ON MONDAY, CLASS VI DISPLAYED THEIR COLLECTIONS WITH GREAT PRIDE.

BEAD COLLECTION
by Monika

COLLECTION of BIRD STAMPS
from around the world
by Deepak

COLLECTION of INDIAN TEXTILES
by Hania

GURTEJ'S COLLECTION REQUIRED SOME PLANNING.
A SMALL BOOTH WAS SET UP, AND THE OLD PHOTOS
WERE PROJECTED ON ITS WALLS. HEADPHONES
PROVIDED THE STORY.

DR PATEL EXPLAINED THAT EVERYTHING ON EARTH IS MADE UP OF ORGANIC AND INORGANIC MATERIAL.

ORGANIC MATERIAL — PAPER, CLOTH AND WOOD — MAY BE TORN OR DISCOLOURED BY HUMIDITY, SPILLAGE, WEAR AND TEAR, OR BY TERMITES, ANTS AND RODENTS. TOO MUCH EXPOSURE TO STRONG LIGHT ALSO MAKES PAINTINGS AND FABRICS LOSE COLOUR.

MY MOTHER ALWAYS TELLS ME TO DRY COLOURED CLOTHES IN THE SHADE.

YES, BECAUSE TOO MUCH SUN WILL CAUSE THE COLOURS TO FADE.

UNDERSTANDING MATERIAL

Old manuscript

Woollen
Naga shawl

Stone statue
of Vishnu

Terracotta monkey
from Harappa

A silver comb
with wooden teeth

Gold coin from
Akbar's era

Organic

(obtained from living organisms)

Natural textiles – cotton, silk or linen
Paper

Inorganic

(obtained from non-living sources like rocks, clay, sand)

Stone – granite, basalt, sandstone
Metal – gold, silver, bronze, copper and alloys

Composite

(combination of living and non-living materials)

What happens over time? Objects deteriorate

Physical: Cracks, tears, breakages

Chemical: Corrosion (rusting), stains, salt efflorescence

Biological: Termites, rats, fungal growth

Exposure to bright light, heat and humidity also causes deterioration

Can you guess why this happens?

NEXT, DR PATEL SHOWED THEM SOME COINS.

AN ASSORTMENT OF ITEMS WAS PRODUCED FROM THE CHILDREN'S POCKETS.

THE CHILDREN WERE DIVIDED INTO GROUPS OF FIVE AND EACH GROUP CHOSE AN ITEM TO ASSESS FOR CONSERVATION. DEEPAK, MONIKA, HANIA, LEN AND GURTEJ CHOSE MONIKA'S CLOTH PENCIL CASE. HERE IS THEIR REPORT:

Assessment for Conservation
OBJECT: PENCIL CASE

Description (size, colour, material):
cloth, with plastic zipper and plastic
beads on embroidery

Condition: stained, torn, and frayed
at the edges

Outside: dirt and grease stains

Inside: ink and crayon stains

Size: 15cm by 4cm by 4cm

Date: possibly two years old

*CENTRAL RESERVE POLICE FORCE

*THE PROCESS OF RETURNING AN OBJECT OR A PERSON TO THEIR COUNTRY OF ORIGIN OR CITIZENSHIP

IT WAS TIME FOR A SNACK BREAK. WHILE SIPPING JUICE, THE CHILDREN SAW A GROUP OF VISUALLY IMPAIRED VISITORS TOUCHING OBJECTS.

THE CHILDREN TRIED IT OUT.

I CAN FEEL THE FACE AND CURLY HAIR BUT I CAN'T READ BRAILLE.

THERE IS ALSO THE AUDIO GUIDE THAT GIVES INFORMATION ABOUT THE MAIN PIECES IN DIFFERENT LANGUAGES.

AT SCHOOL THE NEXT DAY, THERE WAS AN IMPORTANT ANNOUNCEMENT.

DURING THE TIFFIN BREAK —

Study programs for Museology, Conservation and Archaeology

1	University of Calcutta	M.A. Museology M.Sc. Museology	West Bengal	State Government
2	The Maharaja Sayajirao University of Baroda	M.A. Museology	Gujarat	Central Government
3	National Museum Institute of History of Art, Conservation and Museology	M.A. Museology, History of Arts and Conservation	New Delhi and Noida	Ministry of Culture
4	Banaras Hindu University	M.A. Museology	Uttar Pradesh	Central Government
5	Aligarh Muslim University	M.Sc. Museology	Uttar Pradesh	Central Government
6	Jiwaji University, Gwalior	M.A. Museology	Madhya Pradesh	State Government
7	Indira Gandhi Rashtriya Manav Sangrahalaya	Diploma in Museology	Madhya Pradesh	Central Government
8	Indira Gandhi National Tribal University, Amarkantak	M.A. Museology	Madhya Pradesh	Central Government
9	Delhi Institute of Heritage Research and Management	M.A. Heritage Management and Conservation	Delhi	State Government
10	University of Rajasthan	M.A. Museology and Conservation	Rajasthan	Central Government
11	Pandit Deen Dayal Upadhyaya Institute of Archaeology, Greater Noida	Post Graduate Diploma in Archaeology	Uttar Pradesh	Ministry of Culture

Look out for the next volumes on Archaeology and Anthropology for more exciting information on our history and culture. You can also find out more about museums by going online at www.nationalmuseum.gov.in.

A DAY AT THE MUSEUM

A museum is a storehouse of valuable objects from our past that help us understand our history and culture, how we lived, what we wore and ate, what we thought and did hundreds and thousands of years ago.

The students of Class VI of Sarvodaya Vidyalaya, New Delhi, were on a trip to the National Museum. As they walked through the halls of the museum, many questions arose in their minds. Who finds these artefacts? How does one find information about them? Why do we collect and maintain these objects? Who takes care of the museum? Their guide, the museum's curator Ira, had answers for all the questions.

The students also learnt about the fascinating careers in a museum — as a curator, a conservator, an archaeologist or a multi-media expert. And even as a volunteer, helping out with the many interesting museum programs.

Amar Chitra Katha presents *A Day at the Museum*, a book about museums, how they function and how important they are to our society. This fascinating and informative read is sure to leave the reader with a sense of wonder about our past and how we learn about it.

ISBN 978-81-19242-34-4
